

God has been so faithful in taking care of us even though we were pressed by the lock down from the month of March this year. Like yours, all our Churches, Mission Offices, Academic Schools, Bible Colleges – everything is presently not functioning. People are running here and there for their daily bread.

1. **Support sent to the suffering people:** The Lord helped us to help a huge number of families with food, clothes and other materials needed for their daily life and witnessed the smiling faces of the downtrodden people in these days of COVID-19 and lock down.

2. **Support sent to our mission workers and believers:** We were also send our supports and special gifts to our Mission Centres for the use of our dedicated ministers and their believers. They were about to return to their native places due to Corona virus threat and problems due to lock down. Our support helped them to continue the good work. Still they need encouragement. Thank you for standing with us.

**ECHO OF HIS CALL MINISTRIES**  
**BALAJI NAGAR - BRANCH CHURCH**  
**(SOUTH INDIA)**  
**COVID-19 RELIEF**  
**Distributed Essential commodities**  
**for needy people**

3. **Church Ministry:** We were not able to open our Churches in India and the neighbouring countries due to the strict lock down. We tried to meet the members of our congregations in person. But it was also no allowed by the Government. So we have started Online Church Services through which we are able to encourage our members and other friends maintain their fellowship. We receive very good response for the Online Services. Our members and friends are really blessed greatly.
4. **Video Camera for Online Church:** Presently we use our Mobile Phone for taking videos of our Online Services. In order to improve the quality etc. we are praying for a Video Camera for the Lord's Ministry, as this situation will prolong for some more time in India. The seriousness of Corona fever is increasing in Chennai city. There is no possibility of conducting Church Services as before in the near future. So the need of the Video Camera is inevitable. Please pray for this.

5. **Bible Colleges:** As you are aware, we have three Bible Colleges with 50 students. Now due to COVID-19 we have sent back the students to their respective places. They will come back after the situation is resumed. The Graduation Service scheduled to hold on the 13th June also is postponed. Our **Correspondence Courses** are functioning smoothly. Our staff workers expect financial support from us during this lock down period.
6. **Echo of His Call monthly newsletter:** As you are aware, we publish our newsletter in 16 languages. Due to lock down we were unable to publish the newsletter for the months of April and May this year. By God's grace, we were able to publish the newsletter for the month of June and posted to all readers. E.mail copies were also sent to all readers.
7. **Printing Press:** Due to lock down from the month of March, the printing press was kept idle during all these days as a result certain parts of the Printing machine including rubber parts have got damaged. We have to rectify the defects by engaging specialists.
8. **Village High School:** Our Village High School viz., St. Paul's Matriculation School is also not functioning due to Corona virus fever and lock down. So we are offering Online classes to the students. We find very difficulty in paying salary to the teachers and non-teaching staff members. We need your prayers.
9. **Administrative Office:** We are engaging limited staff members to do the important administrative works including sending reports to Government, paying salary, taxes, bills etc. We need your fervent prayers to carry on all these things in these hard days.

**Let God be glorified. God bless and protect you and all your loved ones. We solicit your prayers and views for the regular and smooth running of these ministries for the glory of God.**

**Your servant in Christ Jesus,  
S. SAM SELVA RAJ.**
